

## School Annual Education Report (AER) Cover Letter

August 17, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for Parchment Central Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Julia Kaemming for assistance.

The AER is available for you to review electronically by visiting the following web site, [http://www.parchmentschools.org/page.php?menu\\_id=12](http://www.parchmentschools.org/page.php?menu_id=12) or you may review a copy from the office at your child's school.

For 2009-2010, Parchment Central Elementary made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information which can be found in the following report.

Our staff is committed to improving student achievement. As a staff we believe strongly in using research based instructional strategies, assessments, continual data review, and collaboration to improve student achievement for each individual child. Congratulations to the staff at Central for your hard work and dedication.

Sincerely,

Julia J. Kaemming
