

School Annual Education Report (AER)

Parchment high School

2009-2010

August 17, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for Parchment High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Scott Karaptian for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.parchmentschools.org/page.php?menu_id=103 or you may review a copy from the Parchment High School's office at your child's school.

For 2009-2010, Parchment High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Parchment High School staff and administration will continue to dedicate their time and efforts to meet the needs of **All** of our students in and out of the class rooms to the best of our abilities. We encourage our parents and families to become more involved in their students education and volunteer as much time as possible within the educational community. Working together we can make a difference!

Sincerely,

Scott Karaptian
