

School Annual Education Report (AER) Cover Letter

Thursday, August 12, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact George Stamas for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.parchmentschools.org> or you may review a copy from the Main Office at your child's school.

For 2009-2010, Parchment Middle School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information. The information is attached in the following report.

This report represents a snapshot of our current status as a building. We are pleased with our results, the hard work and dedication of our staff and the support of our parents. Our goal is to have **all students** become responsible, self-directed life-long learners. So we continually look at our practice and make adjustments to improve so we reach all kids.

Sincerely,

George Stamas
Principal
