George Stamas  
Principal

John Thompson  
Assistant Principal

Dear Parents/Guardian,

September, 2008

Your student may attend one or more field trips during the school year as part of the instructional program. We will always notify you in advance with field trip information.

To eliminate multiple permission slips and their last minute return before any field trip, we are requesting that you sign just one permission slip. This authorizes your student to participate in school field trips for the entire school year. As always, you have the right to exempt your student from a field trip. If you do not wish your child to attend a particular field trip, please send a note to your student's teacher.

This permission slip is kept on file in the school office for the entire year. Thank you for your cooperation.

---
