

School Annual Education Report (AER) Cover Letter

August 17, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for North Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Marcy Patterson for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.parchmentschools.org/page.php?menu_id=13 or you may review a copy from the office at your child's school.

For 2009-2010, Parchment North Elementary made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information which can be found in the following report.

Our staff is committed to using research based instructional strategies and data review to improve student achievement. Teachers meet regularly to plan for individual students' instructional needs. Congratulations to the North Staff for their hard work and dedication.

Sincerely,

Marcy Patterson
Principal
North Elementary
