

# VSP-1 Benefits

**MESSA**

Good health. Good business. Great schools.

## Panel Providers

When you see a MESSA VSP participating panel provider for services which are covered charges (exam, lenses and frame allowance or exam and contact lenses), the provider bills VSP directly for the covered charges after satisfaction of a deductible. If the cost of the frames or contact lenses exceeds the maximum benefit allowance specified in the chart below, the member will have to pay the provider directly for excess costs. A directory of MESSA VSP panel providers is available on the Web at [www.messa.org](http://www.messa.org) > Members > Provider Search > Find an Eye Doctor.

## Non-Panel Providers (Maximum Reimbursement to Patient)

Non-panel providers are providers who do not participate with MESSA's VSP plan. Benefits for examinations, lenses or frames which are obtained from a non-panel (non-participating) provider are subject to a maximum reimbursement. Members and dependents who choose to see a non-panel provider must pay the provider and submit an itemized receipt to VSP for reimbursement. The member is responsible for the difference. The reimbursement will be limited to the maximum amount for each covered charge as indicated in the chart below.
