

Mark Hansen - Class of 1972

I grew up in Parchment and raised my family here with my wife Rhonda and children Joshua, Selena, and Sarah.

During high school, I played football, basketball and baseball for Parchment, being captain in football and baseball.

I started coached football in Parchment and did this for 35 years. I also coached youth in football, basketball and baseball for 13 years.

I started in the chimney service business in 1984.

Thank-yous

The late Jack Koch influenced my coaching. He along with coaches Tom Beals, George Macleod, John Rogers and Ron Ruster made my high school days very enjoyable. Thanks to all of the kids and their families. It was my pleasure to be a small part of their lives. Great memories!

Favorite Memories of Parchment:

The Parchment community is small enough to be personal and caring enough to nurture a student through their developing years. It is a great place to grow up in and have pride in.
