

Amos Cook II - Class of 1972

I have been married to my wife Kathleen for 35 years and we have a son and daughter.

My high school sports highlights include:

- 4 Varsity letters in Baseball, 2 in Football
- 3 year All-KVA & All-GK in Baseball
- 4 year ERA below 1.00 & a 4 year batting average over .400
- During my 4 –year high school career I pitched 2 perfect games, shared in 1 no-hitter and lost only 2 pitching decisions.

Thank-yous

I would like to thank my first coach, Herm Clear, who saw something in me as a 7 year old boy and started working with me on my pitching. He gave up hour after hour in the spring and summer, working on delivery, location, pitches and repetition.

I also want to thank Harold McKey, Coach Ron Ruster and many other people and coaches who made my time on the baseball diamond both enjoyable and memorable.

I thank my earthly father Amos Cook I, whose time given to me contributed to the success I have attained. Lastly I thank our Father in Heaven and his son Jesus Christ, who made this all possible for me.

Favorite Memories of Parchment:

I had a great experience at Parchment High School, where I started to discover who I am. I had fine coaches and teachers and a terrific group of teammates.
