Welcome to Parchment High School

The administration, faculty and staff of Parchment High School are looking forward to getting to know each of you personally and sharing with you this exciting period of your life. The educational program offered at Parchment High School provides the opportunity for you to be involved in planning your future and becoming a positive, contributing member of our school community.

Education comes in many forms! In addition to your academic education, you have the opportunity to become involved in many organizations as well as a growing athletic program. Your experience will be only what you choose to make it. We encourage you to become an involved member of the student body and make your high school years enjoyable and rewarding.

Purpose: This handbook has been prepared to assist you in pursuit of a meaningful, positive educational experience whether you are new to our high school or a returning student. It will assist you in your attainment of knowledge and understanding of the mission, goals, ideals, and scope of your school.

How the handbook is to be used: This student handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain Board policies and procedures. This handbook contains important information that you should know. Become familiar with the following information and keep the handbook available for frequent reference by you and your parents. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal.

This handbook summarizes many of the official policies and administrative guidelines of the Board of Education and the District. To the extent that the handbook is ambiguous or conflicts with these policies and guidelines, the policies and guidelines shall control. This handbook is effective immediately and supersedes any prior handbook and other written material on the same subjects.

This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board’s policies and the School’s rules as of August 2016. If any of the policies or administrative guidelines referenced herein are revised after August 2016, the language in the most current policy or administrative guideline prevails. If you have questions regarding the handbook please contact the high school office at 488-1100 and ask for the assistant principal.

This handbook does not contain every rule or policy of the district or high school. Rules, policies, procedures and/or activities are subject to change during the school year, with sufficient notification to the students. Students should notify their parents of these changes.

The rules, policies and procedures in this handbook do not supersede federal, state or local laws or ordinances.

No person in the Parchment School District will be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity on the basis of ethnicity, religion, gender, disability or any other legally protected status. Inquiries by students and/or parents/legal guardian related to discrimination on the basis of disability/handicap should be directed to: Superintendent of the Parchment School District, 520 N. Orient Street, Parchment, MI 49004. Phone number 269-488-1050.
GRIEVANCE PROCEDURES FOR NONDISCRIMINATION: Any person who believes that s/he has been discriminated against or denied equal opportunity or access to programs or services may file a complaint, which shall be referred to as a grievance, with the District's Civil Rights Coordinator, Superintendent, Parchment School District, 520 N. Orient Street, Parchment, MI 49004, 269-488-1050.

The person who believes s/he has a valid basis for grievance shall discuss the grievance informally and on a verbal basis with the District's Civil Rights Coordinator, who shall in turn investigate the complaint and reply with an answer to the complainant. S/He may initiate formal procedures according to the following steps:

**Step 1:** A written statement of the grievance signed by the complainant shall be submitted to the District's Civil Rights Coordinator within five (5) business days of receipt of answers to the informal complaint. The Coordinator shall further investigate the matters of grievance and reply in writing to the complainant within five (5) business days.

**Step 2:** If the complainant wishes to appeal the decision of the District's Civil Rights Coordinator, s/he may submit a signed statement of appeal to the Superintendent of Schools within five (5) business days after receipt of the Coordinator's response. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the complainant within ten (10) business days.

**Step 3:** If the complainant remains unsatisfied, s/he may appeal through a signed written statement to the Board of Education within five (5) business days of his/her receipt of the Superintendent's response in step two. In an attempt to resolve the grievance, the Board of Education shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting.

Inquiries concerning the nondiscriminatory policy may be directed to Director, Office for Civil Rights, Department of Education, Washington, D.C. 20201.

The District's Coordinator will provide a copy of the District's grievance procedure to any person who files a complaint and will investigate all complaints in accordance with this procedure.

1.3. **Personal Curriculum:** The intent of the Personal curriculum is to increase the rigor and relevance of the educational experience. The use of a personal curriculum (PC) modification is allowed by state statute for only three reasons:

- A student wishes to modify the mathematics requirement
- A student wishes to go beyond the academic credit requirements by adding more math, science, English language arts or languages other than English credits
- A student with a documented disability needs to modify the credit requirements based on his or her disability

The Personal curriculum may also be an option for students with disabilities requiring specific modifications of the Michigan Merit Curriculum to ensure progress with their career pathway and post-secondary goals. Any parent/legal guardian requiring more information on personal curriculum should contact the high school office.

1.4. All students are required to be enrolled in five (5) block classes each twelve weeks unless on an alternative approved plan. The principal shall have sole approval.

1.5. **Early Graduation** is available to seniors that meet all state and district graduation requirements prior to the beginning of third trimester.

2. **Credit Retention** Students that fail required classes during the school year may choose to take advantage of opportunities to make up credit through extended learning opportunities. The following opportunities are offered:

2.1. **Plato (Online Courses):** Portals will be available for students to work on credit retrieval to make-up credits they are short. High School students will have the option for credit retrieval after school. 

   **NOTE:** Plato may total no more than two courses per trimester and will be graded on a “Credit/No Credit” basis only. There is a cost for Plato courses.

2.2. **Summer School:** A student will be allowed to enroll in summer school, if it is offered, to make up credit, in identified courses, which s/he failed during the school year. Credit (CR) will be noted on the transcript if the student passes the course. There is a cost for Summer School.

3. **Testing Out**

A student currently enrolled in high school will be permitted to "test out" of any class in which they are not currently enrolled, during testing out periods.

**Exempt courses are:**

1. Band, Choir, Art, Woodshop and Physical Education/Health because they are group activity-based classes.

2. Classes which are being taught for the first time.

**Credit** will be earned if the student achieves a C+ (77%) or better on each work component of a comprehensive final examination. Students may also be required to successfully complete basic assessments/components used in the class, which may include, but are not limited to, portfolios, performances, papers, projects, labs and/or presentations.

- Credit will be recorded on the student transcript as "CR" and will not count in the computation of the grade point average.
- Credit will be accepted as fulfillment of a requirement in a course sequence.
- Credit **toward fulfillment of graduation requirement(s)** will be granted for successfully passing all of the required assessments.
- Once credit is earned by "testing out" a student **MAY NOT RECEIVE CREDIT,** by any means, for a lower course in that course sequence.
Testing Out Process
To be eligible to test out of classes a student must complete a Testing Out Application and return it to the High School office prior to the testing period. Each year the course syllabus/objectives for each class will be available for students who have met the application deadline. The date these materials will be available will be included in the letter of explanation. Testing windows will be established each year and communicated to students.

Please see Mrs. Hunt in the office if you would like more information regarding EMC.

6. Advanced Placement/Honors

6.3. Beginning with the Class of 2018, AP and Honors courses will earn a weighted grade.
Reporting Student Progress

1. **Report Cards:**
   Report cards are an effective method of communicating an evaluation of student progress and an understanding of a student’s educational growth to the student and parent/legal guardian. Report cards will be issued at the end of every twelve-week Trimester and will include the marking period grade, the exam grade and the final trimester grade. These reports will be mailed at the end of each trimester.

2. **Progress Reports** will be discussed at each of the three Parent-Teacher Conferences, scheduled at the end of the sixth week of each trimester.

3. **Synergy** Each parent and student will be issued a unique account so they can immediately access their student’s current status on-line.

4. **Parent Teacher Conferences**
   Conferences are scheduled at the end of the sixth week of each twelve-week trimester. Conferences are an opportunity for parents and teachers to share information midway through a marking period and to develop strategies for students who are having difficulties.

5. **Class Grades**

   5.1 **Final Examinations**
   - A comprehensive final examination will be given in all classes, at the end of each trimester (twelve week). All students are required to take the final examination as part of the course requirements (unless they have earned the Attendance Incentive).
   - The final examination will be 20% of each trimester (twelve week) grade.

Attendance Policies and Procedures

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. Many important learning opportunities result from active participation in classroom and other school activities which cannot be replaced by individual study.

Absences: Once a student reaches 9 absences in a class, the student must pass the final exam with a 77% (testing out criteria) or better to receive credit for the class unless the time is made up before or after school per teacher/student arrangement

- The student is responsible for scheduling the makeup time with the teacher
- Arrangements to make up time must be made within a week of student absence

Note: You must be passing the class prior to exams and achieve a 77% or better on the final exam to obtain credit for that class.

1. Under State Law, attendance at school is compulsory until a student reaches the age of sixteen or graduates from high school.
2. All students attending Parchment High School, unless they are legally emancipated, shall be required to have absences verified by his/her parents/legal guardian. If a student is legally emancipated, s/he may assume responsibility for all absences.
3. Definition: "absent" shall mean that a student is not physically present, at the place(s) designated.
   3.1. A student is required to attend at least 90% including those due to tardiness of each of his/her scheduled classes in each trimester.

Failure to do so will result in a potential truancy referral/suspension.

Parents/legal guardians are encouraged to provide the school with at least two (2) telephone numbers where they can be reached during the school day.
      - Verification from home is necessary to grant a student permission to leave the school campus during school hours for any reason.
   4.2 Suspension Absences
      - Absences due to In-School Suspension will not be included in the absences total.
      - Absences due to Out-of-School Suspension, assigned by an administrator, will not be included in the absences total.
