Important Notice:

Change in Calendar

When:

February 22, 2019

What:

Full Day of School

K-8 and Barclay Hills

High School- No School

Why?

- This date was originally planned as “Mid-Winter Break”.
- The Parchment School District has accumulated 10 “Snow Days” at this point.
- 9 days for weather and 1 day for heating issues.
- The state allows 6 “snow days”.
- School Districts may apply for a waiver to have up to 3 additional days forgiven.
- We know we have to make up AT LEAST one additional day at this point. Winter is still coming.
- From an educational standpoint; making up a day in February certainly holds more merit than adding an additional day in June.
- The reason for the High School being out of session is that we are making up the school day regularly scheduled for January 25th. The High School was not scheduled to be in session this day. This is to prevent an imbalance of days internally.
